Come any day of the week that fits your schedule and the weather.

Note: the HH (restroom) is open and office staffed only on Wednesdays, 10:00-2:00, and the 1<sup>st</sup> and 3<sup>rd</sup> Sunday of each month, 12:00-:003 (May - Oct)

If you are coming at a different time, and not comfortable being alone, let Chris know in advance, and we'll arrange a helper.

Contact Chris Maurice @ [cmaurice001@gmail.com](mailto:cmaurice001@gmail.com), if you cannot come on your scheduled week.

Flowers in pots and planters will need watering more than once a week during the hot dry weeks. If you cannot come more than once, let Chris know and someone will water them again.

Let Chris know when you have watered. If you have come early in the week, and the next person is coming later in their week, or vice versa, arrangements will be made.

Report any concerns to Chris. Bug infestation, deer damage, etc.

Bring your own gardening tools. A hose is available outside the house.

Please remember to return the hose to its place by the house, so it is not run over by the lawnmower.

The hose is **HEAVY**. Let Chris know if you want a helper.

A weed whacker is available (if you are so inclined), but only on the days the HH is open.

Thanks for helping with the Hinchey House gardens.
